

Explore Iran Stone

Discover the beauty and strength of Iranian natural stones. We export top-quality stone blocks and slabs worldwide, directly from Iran's finest quarries. Perfect for architects, designers, and contractors new to stone sourcing.

Experience Real Stone

Timeless elegance & reliability!

Quality Natural Stone

We export natural stones like marble, travertine, onyx, granite, and limestone from Iran's top quarries worldwide.

Block & Slab Export

Whether raw blocks or polished slabs, we ensure products meet international quality standards.

Custom Stone Solutions

Flexible options with unique finishes and custom sizes to fit your project, including large-scale orders.

Full Logistics Support

Our logistics team manages quality checks, packing, documentation, and shipping for seamless exporting.
